	Layerbuild 4 Layer	Id.- Nr.: CM-SO-004 Rev.: E Datum: 31.08.2007
---	-------------------------------------	---

Possible Layerbuild for 4 layer - Multilayer in PCB - Pool®

Panel Thickness: 1.576 mm
Panel Thickness after Galvanik 1.612 mm

Tolerance +/- 0.1mm

 **For impedance-controlled Multi-Layer boards please make a NonPool enquiry, since the layerbuild can vary (according to manufacturer).**
